KAREN FAUCETS

Success produces confidence; confidence relaxes industry, and negligence ruins the reputation which accuracy had raised.

امروزه با توجه به گستردگی در تنوع شیرآلات ساختمان و حضور پررنگ و کم‌رنگ برندهای مختلف در این حوزه انتخاب محصول باکیفیت و متمایز برای مصرف‌کننده کار بسیار سختی است، با توجه به تمایل مصرف‌کننده به محصولات خارجی و شتاب واردات محصولات این‌چنینی گروه تولیدی البرز شیر مهتاب در سال ۱۳۸۶ با انگیزه تدارک و تامین این نیاز، تصمیم گرفت خود یکی از این تولیدکنندگان این صنعت باشد که پس از بررسی و تحقیقات گسترده در زمینه تکنولوژی تولید شیرآلات ساختمانی و ارزیابی توان تخصصی کارخانه، خط تولید شیرآلات با برند «البرز روز» را در سال ۱۳۸۸ راه‌اندازی کرد.

Above all, always be capable of feeling deeply any injustice committed against anyone, anywhere in the world. This is the most beautiful quality in a revolutionary.

Magic

A Magic doesn't start out polished and shining. It once was nothing special, but with enough pressure and time, becomes spectacular.

Spiral

The spiral in a snail's shell is the same mathematically as the spiral in the Milky Way galaxy, and it's also the same mathematically as the spirals in our DNA. It's the same ratio that you'll find in very basic music that transcends cultures all over the world.

Our Children no longer learn how to read the great book of Nature from their own direct experience, or how to interact creatively with the seasonal transformations of the planet. They seldom learn where their water come from or where it goes.

The truth? Kitchens are the heart of the home, where family, friends, and guests all come together to create lasting memories.

The kitchen is the place where we replenish and refuel, stopping in for a cold and refreshing glass of water or a warm and comforting meal.

Consider a tree for a moment. As beautiful as trees are to look at, we don't see what goes on underground - as they grow roots. Trees must develop deep roots in order to grow strong and produce their beauty. But we don't see the roots. We just see and enjoy the beauty. In much the same way, what goes on inside of us is like the roots of a tree.

Luxury is anything that feels special. It can be a moment, it can be a walk on the beach, it could be a kiss from your child, or it could be a beautiful picture frame, a special fragrance. I think luxury doesn't necessarily have to mean expensive.
